"Congratulations to our first cohort of Amdani! Conwy volunteers who have completed their Level 1 training. We look forward to seeing you in your volunteering roles very soon!" - Jasmine

## FAQ OF THE MONTH:

**Q: What do we do if we are approached by a disabled people when volunteering and there is no access in place for them?**

**A:** You should always be supported by a member of staff so it would not be your role to discuss the issue. It would be up to the venue to let people know of accessibility information. You should only volunteer doing what has been outlined in the opportunity you registered too. If you have any queries, please contact Jasmine.
