

Donating An Item To Our Museum Collection

Gifts of items from generous individuals enable us to enrich and grow our historic collections.

Donated items are recorded, preserved and cared for to the highest standards. However, as you may imagine, we cannot accept all items offered to us. Every potential acquisition needs to fit into our collecting policy and be investigated in order to establish that the acquisition is both legal and ethical.

Any new donations accepted into our care must represent a meaningful addition to the collection, providing insights into the lives of people in the county of Conwy.

This form can be posted or emailed to Conwy Council Museum Service at:
