

**Who am I?**

**What kind of creativity do I enjoy?**

**What kind of cultural spaces do I enjoy being in?**

**What would I like to do as a volunteer in these places?**

**What could Amdani! Conwy and hosts do to make volunteering accessible to me. For example, do I need support to:**

- **Help me communicate with others.**
- **Support my mobility around different places.**
- **Reducing sensory barriers like light and sound.**

**(You don't have to tell us about your impairments. Tell us about what you need to support your access needs.)**

**Get in touch with Access and Inclusion Officer David Cleary if you need support in developing this.**
